The Best Resorts In Bermuda

The pink sand beaches are only one of the natural wonders of Bermuda, an island off the coast of the Eastern United States that is only a short flight away from the East Coast—but feels a world apart. From the island's underground caverns full of stalactites to its rich history and culture, Bermuda is the kind of place you'll never want to leave.

Here are some of the island's best resorts:

Newstead Belmont Hills

Newstead is home a championship golf course, with a hospitality cart that makes the rounds to each group of golfers, and pros to give lessons. The Asian-inspired [Newstead Spa](#) offers spa dining and couples treatments in addition to facials and massages. Five [on-site restaurants](#) and bars, like the tapas-style Zanzibar and the French-inspired Beau Rivage, ensure you'll never go hungry—or thirsty.
